Head Boy and Head Girl

Dear Pupils, Parents, Carers and Staff

At the end of a great second week back in school, it is always my privilege at this time of year to announce the new Head Boy and Head Girl and their new Deputies.

During assembly this morning, I was delighted to announce the following appointments:

Levi Spooner – Head boy

Keira Lee Jones – Head girl

Jakob Ratuszny - Deputy Head boy

Isabella Isnardi – Deputy Head girl

I look forward to working with them in their new roles.

Elsewhere across the school, we are busy holding elections for the student council and the eco-council. These are very important councils which create further opportunities to listen to the views of pupils about how to make their school even better.

Wishing you and family a lovely weekend.

Dave Jenkins

Executive Headteacher

Learning together in a changing world, creating success for all
Developing all pupils as ambitious, enterprising, ethical and healthy learners.
