

Policy for Stopping Extremism and Radicalisation for Pupils

Trinity Fields is a Rights Respecting School.

All staff will work together so that all pupils have their needs met.

We want all pupils to be:

1. happy;

2. safe;

3. independent;

4. able to make friends.

Staff want all pupils to be able to tell an adult if something is wrong or worrying them.

In Trinity Fields we want you to be kept safe from words or actions that may harm you.

We want you to keep you safe from bad (extreme) views of others and to help you make good choices.

We can help you to keep safe by:

Explaining what is right and wrong

Teaching you about internet safety

Encouraging you to ask for help if you are worried

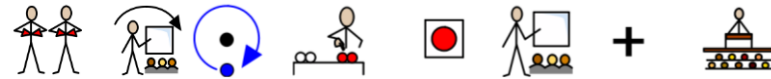

Explaining what is right and wrong

It is important that all people are valued and that we treat others with respect.

We help you to learn about this in class and in assemblies.

Sometimes people say bad words about race and religion and/or do bad things to others because

of this.

Saying bad things or doing bad things to others is wrong.

If someone tries to make you say or do bad things to others you should tell an adult.

The adult will be able to help you.

Internet safety

It is important to remember that not everyone on the internet tells the truth about others and

you may see or hear something that upsets you.

You must be very careful and check with staff if you are not sure.

If you look at things which are not safe then staff will stop you.

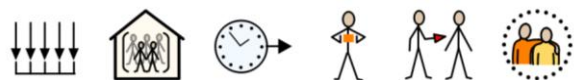

Staff will have to tell your parents / carers.

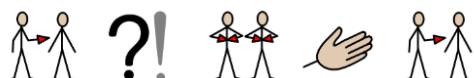

Encouraging you to ask for help if you are worried

All staff will work together to keep you safe.

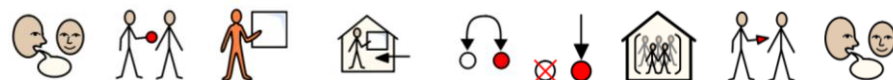

If you have a problem we will get you help.

It is important not to keep things to yourself, especially if they are worrying you!

In school if you have a concern or a worry you can tell any member of staff.

In school you can tell your teacher or some of the staff you can tell are:

Or outside school you can contact:

Mandy Morris who work for Caerphilly.

Their telephone numbers are: 01443 866651 and 01443 866643.

You can also speak to ChildLine. Their telephone number is: 0800 1111

Office staff will be able to help you to call them.

Staff will help you:

1. make good choices;

2. learn, keep healthy and make progress;

3. keep you safe at school, home and in the community.

Staff will:

1. always listen to you;

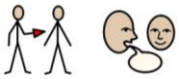

2. communicate with you using speech, signs and symbols;

3. respect what you say and not gossip with others about you.

If you tell a member of staff about a problem they will have to tell Jenkins or

McGuirk.

Sometimes they will have to talk to someone else to make sure that the right

things are done to keep you safe.

These people might be your social worker, the police or parents and carers.
