Children in Need 2025 'Challenge Yourself 25' and Whacky hair

Dear parents/carers,

This year for **Children in Need 2025**, we are very excited to be taking part in “**Challenge Yourself 25**” – a fun-filled day where pupils (and staff!) will be getting active and challenging themselves while raising money for a great cause.

The event will take place on **Friday 14th November 2025**.

Throughout the day, each class will be taking part in **25 minutes of dance or exercise**, challenging themselves to stay active and have fun together. Everyone will be involved – including staff – and we can't wait to see everyone getting stuck in!

To add to the fun, pupils are encouraged to come to school with **whacky hair** and to wear **Pudsey clothing, party clothes, or sportswear**. The aim is to make the day as colourful, energetic, and enjoyable as possible! We are kindly asking for a voluntary donation of **£2.50** from each pupil and staff member. Our goal is to raise a fantastic **£1,000** to support Children in Need and help make a difference to children and families across the UK.

As part of the day's fun, Teaching Personnel have very kindly offered face painting services. If you would like your child to have their face painted, please **send a message via your child's Seesaw account** to give consent **by Friday 14th November**.

A sponsor form is also being sent home – please do share this with family, friends, and neighbours and encourage them to sponsor your child for their “Challenge Yourself” activities. Every little bit helps and will go towards a wonderful cause. There will be prizes for the most money raised and whackiest hair!

To celebrate the day, photos and short video clips will be taken to capture all the fun and energy of the event. These may be shared on our school platforms or displays to showcase the fantastic effort of our pupils. Please rest assured that this will be done in line with our school's photo and video consent policy.

We're really looking forward to a fun, active, and colourful day while raising money for charity.

Thank you, as always, for your continued support.

Kind regards,

Lauren Howard
