12th September 2025

Dear Parents and Carers

“Talk like a Pirate Day” 19th September 2025

We are looking forward to the first of our curriculum enrichment days of the new school year, taking place on **Friday 19th September**.

As it is National Talk Like a Pirate Day, we are planning an exciting day full of Pirate themed activities, including activities appropriate for each class such as treasure hunts, map reading, orienteering, making telescopes or water play.

Pupils are welcome to **dress up as a pirate** if they wish. No swords or stiff hooks please!

Best wishes

Hannah Pearse and the Humanities AoLE Team
