

# Substance Misuse Policy for Pupils

## Trinity Fields is a Rights Respecting School.

All staff will work together so that all pupils have their needs met.

We want all pupils to be:

1. happy;

2. safe;

3. independent;

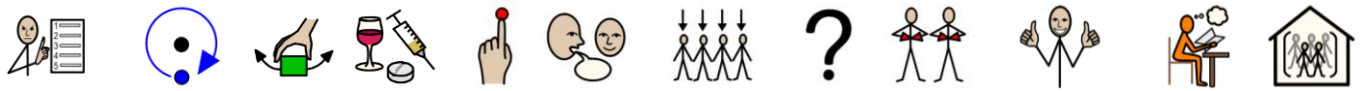

4. able to make friends;

5. able to make good choices.

This policy is about substance misuse. It tells everyone how we encourage pupils, staff and

parents to be healthy and safe.

It tells everyone what substances can be used by people, e.g. tobacco, alcohol and drugs.

It tells everyone that different substances can be misused.

It tells everyone the effects that they can have on our bodies.

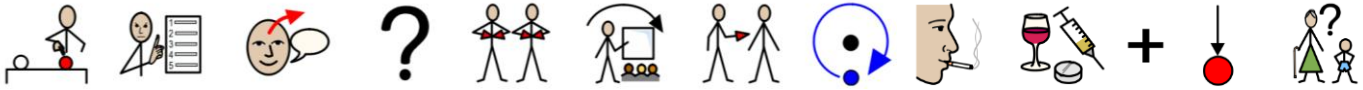

It makes sure everyone has the same information and everyone knows what to do.

What does this policy mean?

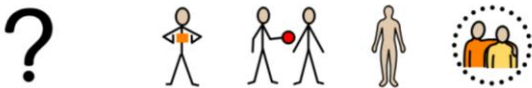

This policy explains what we teach about smoking, alcohol and drugs and at what age.

It tells everyone what to do if they see certain things or something happens.

What do we do? We will help you learn about:

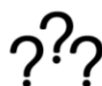

how to keep your body safe;

the effects of smoking, alcohol and drugs on your body.

If you have any questions about this policy then you can speak to one of the senior leaders:
