Hair Cutting Appointments

Dear Parents and Carers,

Many of you will know that we have a new hair and beauty salon on the main site of Trinity Fields School. We recognise that for many pupils, having their hair cut can be exceptionally challenging. I am delighted to inform you that Sarah Cloudsdale (part time member of staff in our Deri Satellite) is also a registered barber and will be running appointments from school on Thursdays. If there is enough interest, we anticipate that this will be a permanent arrangement.

Sarah can provide a cut/trim for £13 per person. Sarah is very experienced and has a wealth of knowledge in supporting children through the process of having their hair cut. We're really hopeful that pupils will eventually be comfortable having their hair cut and this will no longer be a difficult time for families.

Currently, Sarah is a barber and therefore mainly cuts boys hair but she can also provide a very basic trim for girls.

Sarah will be running her first session on Thursday 4th December on main site. This service is open to all pupils across main site and satellite classes who currently struggle with having their hair cut.

If you are interested, please express your interest by clicking on this link [Hair Cut Appointments - 4th December 2025 – Fill in form](#). Sessions will be on a first-come, first-served basis. Sarah will then confirm her schedule and your requirements for the 4th December directly with you.

If there is a lot of demand, those pupils not seen on 4th December will join the list for the following week.

Please note, pupils will be supported to attend the appointment by staff from school and at this time, parents will not be able to attend the appointment (however, we hope this will change)

With best wishes

Dave Jenkins
Executive Headteacher
