## INSET Days 2024-2025 Academic Year

Dear parents/carers,

I trust you all had a nice half term break. It was great to see pupils back in school yesterday for the start of a busy and fun half term. Further to my letter at the end of term, I thought it would be useful to clarify that the end of this academic year is **Friday 19<sup>th</sup> July 2024**. This will be the pupils last day in school. We do not have any INSET days left between now and the end of this year.

In September 2024, we will take ownership of two new classrooms with the remainder of the new building anticipated for handover after Christmas. With that in mind and to manage the huge logistical challenges of moving into the new building and getting the existing building ready for refurbishment, the Local Authority have granted us two additional moving days. We will combine these with our INSET days and will therefore have 8 x closure days next year. These dates are:

- Monday 2<sup>nd</sup> September 2024 – INSET – statutory training
- Tuesday 3<sup>rd</sup> September 2024 – INSET – curriculum development
- Wednesday 4<sup>th</sup> September 2024 – Moving Day (not pupils in satellites)
- Monday 6<sup>th</sup> January 2025 – Moving Day (not pupils in satellites)
- Tuesday 7<sup>th</sup> January – 2025 INSET Day – Curriculum Development
- Friday 11<sup>th</sup> April – 2025 INSET Day – Curriculum Development
- Monday 9<sup>th</sup> June – 2025 INSET Day - Transition
- Monday 21<sup>st</sup> July 2025 – INSET – to be taken as twilights throughout the year

Further diary dates will be circulated to you separately.

With very best wishes

Dave Jenkins  
Executive Headteacher, Trinity Fields School & Resource Centre

*Learning together in a changing world, creating success for all*  
Developing all pupils as ambitious, enterprising, ethical and healthy learners.
