End of Half Term

Dear Parents/Carers,

I am delighted to inform you that we will once again be running the '**Food and Fun**' Summer holiday Scheme this summer.

Food and Fun is a school-based enrichment programme that gives children and young people access to healthy meals, physical activity and enriching experiences during the summer holidays. Coordinated by the Welsh Local Government Association (WLGA) and funded by the Welsh Government, it supports families and helps schools, councils and partners work together to reach communities across Wales. More information can be found by clicking this link <https://www.wlga.wales/news/food-and-fun-school-holiday-enrichment-programme/>

Children who attend Food and Fun can take part in a mix of activities in a safe, familiar school setting. This can include sport, play, cookery, creative activities, informal learning, and other enrichment sessions, alongside healthy meals during the day.

Families are invited in each week to join in with their children and enjoy a healthy breakfast or lunch which helping to build stronger relationships within the school community in an informal and relaxed way.

In Trinity Fields, the scheme is running on the following dates

- Week Commencing Monday 27th July – to include 27th, 28th, 29th and 30th
- Week Commencing Monday 3rd August – to include 3rd, 4th, 5th and 6th August
- Week Commencing Monday 10th August – to include 10th, 11th, 12th and 13th August
