Youth and Leisure Service Update

Dear parents/carers,

We want to let you know that Geraldine Smallman has stepped down from her role as manager of the Youth and Leisure Service. This service runs at Trinity Fields School but is separate from the school.

Geraldine now has a new full-time job in the school as the manual handling and play lead. This is great news for the school, but we'll miss her in her old role. She's left some very big (but actually quite small!) boots to fill.

We haven't been able to find someone new to lead the service yet. We'll be advertising the job again soon and hope to have someone in place by the end of this term (December).

There may be some small changes to the service for now, but we're excited about what's coming next. In the next few weeks, children and parents will be asked to fill in a short questionnaire on Seesaw. We'd love to hear your ideas about how to make the service even better.

Social Services and Trinity Fields Leisure Service want to keep the parts that work well and also create more chances for children with disabilities to enjoy activities in the area.

Finally, we want to say a big thank you to Geraldine for everything she has done. This isn't goodbye—you'll still see her around school!

With very best wishes as always,

Becky Griffiths – Service Manager CWD

D. Z.

Dave Jenkins – Executive Headteacher
